

A CHANCE TO MAKE A (BIGGER) DIFFERENCE

Today - Thursday, April 7 - is the day you can give thanks for the 38 years of work by the Boys, Girls, Adults Community Development Center in the Marvell-Elaine School District and also see that its work continues and expands.

On this single day, every gift will be magnified. The Winthrop Rockefeller Foundation and the Arkansas Community Foundation will match gifts made to BGACDC and other nonprofit charitable organizations.

The one shot effort is called ArkansasGives, a campaign devised by the Arkansas Community Foundation to encourage people to recognize the vital work of local charitable organizations like BGACDC, which expands decent housing, educational achievement, social development, job opportunities and good health among low income people in the Delta towns.

The more people who give to BGACDC on April 7, between the hours of 8 a.m. and 8 p.m., the greater will be the matching dollars for the organization. Small nonprofits that have more donors will be rewarded with a higher ratio of matching.

It is a rare opportunity to multiply your dollars for a just cause. To make your gift go to this website and click on Donate
