

MAY'S CELEBRATION OF PROGRESS AND PROMISE

May Day, the great spring festival recognized throughout the western hemisphere, gives the Boys, Girls, Adults Community Development Center at Marvell and Elaine a chance every year to celebrate the community's cultural and social growth and the promise of renewal and rededication that each spring brings.

Some 150 children and parents joined the 2017 May Day celebration at Marvell with a parade, games and activities. County Judge Clark Hall issued an edict proclaiming May Day the Children's Day in the community. The parade included the BGACDC float, motorcycles, four-wheelers, church vans, cars, bikes, the Helena-West Helena High School Band and emergency vehicles.

Robert and Katherine Spears, longtime supporters of BGACDC, donated a bicycle, which was won by Jamyerious Farr at a drawing. Balls, hula hoops and other toys were given away. It was a full day of laughter, frolicking, promise and hope, made possible primarily by the many volunteers who make the event smooth and enjoyable every year.

To help BGACDC continue serving Marvell- District and the surrounding communities please click on the "Donate" button and help us so we can continue to offer these programs.
