**Dear BGACDC Alumni & Friends:**

Over the years, the Boys, Girls, Adults Community Development Center (BGACDC) has operated many programs and projects through the help of fundraising. This year, BGACDC is kindly asking for donations from alumni and friends that have worked and/or received the benefits from these programs and projects. The requested amount is either \$5 a month or \$60 a year, but any amount will be appreciated.

The purpose of the donation is to continue providing operating support towards the Youth & Family Service component, which has served as the backbone for BGACDC in the past forty-three years. Here are some of those programs and projects that were provided to support the cause:
